Current performance may be higher or lower than the quoted past performance, which cannot guarantee future results. Share price, principal value, and return will vary, and you may have a gain or loss when you sell your shares. To obtain the most recent month-end performance, or to request a prospectus or summary prospectus, which includes investment objectives, risks, fees, expenses, and other information that you should read and consider carefully before investing, please visit our website or contact a T. Rowe Price representative at 1-855-405-6488.

* In an effort to maintain a zero or positive net yield for the fund, T. Rowe Price may voluntarily waive all or a portion of the management fee it is entitled to receive from the fund. A fee waiver has the effect of increasing the fund's net yield. The 7-day yield without waiver represents what the yield would have been if we were not waiving our management fee. This voluntary waiver is in addition to any contractual expense limitation in effect for the fund and may be amended or terminated at any time without prior notice. Please see the prospectus for more details. Periods less than one year are not annualized and represent total return, which includes reinvested dividends (income and capital gains) and any change in share price for the given period. The yield quotation more closely reflects the current earnings of the money market fund than the total return.

You could lose money by investing in the Fund. Although the Fund seeks to preserve the value of your investment at \$1.00 per share, it cannot guarantee it will do so. Beginning October 14, 2016, the Fund may impose a fee upon the sale of your shares or may temporarily suspend your ability to sell shares if the Fund's liquidity falls below required minimums because of market conditions or other factors. An investment in the Fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The Fund's sponsor has no legal obligation to provide financial support to the Fund, and you should not expect that the sponsor will provide financial support to the Fund at any time. Investments into retail money market funds are limited to natural persons or retail customers.
